Transfer hours are examined on a case-by-case basis.

Prospective students will need to provide a certified transcript in an unopened envelope given by the previous institution. (Note: All hours attempted will count toward the Title IV, HEA funding 150% quantitative requirements, not just the hours that were accepted as transfer hours.)

The student must meet all regular entrance and registration requirements before a transferring or returning student can be enrolled. Students will be evaluated according to the satisfactory academic progress policy.
Students accepted for admission are required to purchase the school’s current kit. Students applying for re-entry or transfer from other schools may be required to bring delinquent prior student loans to a current status. A determination of SAP will be made and documented at the time of withdrawal or beginning of a leave of absence. That determination of status will apply to students at the time they return to school. The student may appeal a negative satisfactory progress determination according to the appeal policy. Elapsed time during a LOA does not affect SAP and will extend the contract period by the same number of days as the LOA. Students re-entering after exiting the school will not be evaluated as new students and consideration will be given to the student's progress status at the time of previous withdrawal. Re-enrollment is at the discretion of the school administration.

METHOD AND TERMS OF PAYMENT
If a student does not acquire eligibility for Title IV funds, additional funding may be obtained for eligible candidates through many different programs including Texas Workforce Commission, and Arkansas Rehabilitation Services. All tuition will be due and payable immediately, or an arrangement for an institutional finance plan. If monthly payments are approved by the school, the student account is due and payable in accordance with the terms of the institutional finance plan, including any late payment charges, if incurred. The student will be responsible for payment of any unpaid portion of tuition not covered by Title IV funds. The student may be suspended until payment has been received. Payments may be made by cash or money order.

POLICY ON OTHER CHARGES

Payment Schedule
If tuition is paid in monthly payments, the payments are due on the 1st or the 15th of each month; this will be determined at the finance interview. A late fee of $10 per month will be charged if a payment is more than 10 days late.

Transcript or Certificate
For students who are no longer enrolled in school, a charge of $25 will be incurred for certification of hours or record of completion. The school may not retain records older than 4 years.

Purchase Of Products/Supplies
Students may purchase any items sold in the student kits from the front desk. We also offer styling products for personal use, or to add to the student kit. The student kit provides all of the professional equipment and mannequins necessary for student training, however, if a student chooses to perform additional or extensive haircuts or chemical services that render their issued mannequins unsuitable for assignments, the student will need to purchase additional mannequins as necessary to complete their assigned activities. Several types of mannequins are available and range in price from $50 to $100. In addition, the school cannot be responsible for lost or stolen items. Students will be responsible to replace such items at their own expense.

FEDERAL ASSISTANCE PROGRAMS
The packaging of financial aid assistance is determined according to guidelines set by the U.S. Department of Education. A variety of programs are available for students qualifying for assistance.

Federal Grants
Federal Pell Grant is intended to be the basis of the financial aid package and may be combined with other aid to meet the full cost of attendance. The Federal Pell Grant is a need-based aid program in which an eligible recipient does not have to repay the funds received.

Federal Direct Loan Program
These are low interest loans for undergraduate and graduate students that are made available through the Federal Government. This program includes the Federal Direct Subsidized, Federal Direct Unsubsidized and Federal Direct Plus loans. There are grade level progressions and loan limits used for the administration of these loans. The following Direct Loans are made through
the William D. Ford Federal Direct Loan (Direct Loan) Program, which is administered by the
U.S. Department of Education:

**Federal Direct Subsidized Loan**
This is a need-based-loan for which the Federal government subsidizes the interest until
repayment begins and during any period of deferment. This is a loan and recipients must begin
making payments at the end of their six-month grace period.

**Federal Direct Unsubsidized Loan**
This is a non-need-based loan for which the Federal Government does not pay the interest
subsidy. Interest accrues during all periods. The recipient has the option to pay the interest or to
defer payment of the interest for the grace period. This is known as capitalization. This is a loan
and recipients must begin making payments at the end of their six-month grace period.

**Federal Direct Plus Loan**
This loan is available to parents of dependent undergraduate students to help pay for the cost of
the dependent’s education. Borrowers of PLUS Loans are required to undergo a credit check by
the lending institution. The definition of a “parent” for PLUS Loan eligibility is a student’s
biological, adoptive or stepparent in the event that person’s income would have been taken into
consideration when calculating the student’s expected family contribution (EFC). Interest is
charged during all periods.

**TITLE IV ELIGIBILITY REQUIREMENTS RELATED TO ADMISSIONS**

SATISFACTORY ACADEMIC PROGRESS POLICY
The Satisfactory Academic Progress policy applies to all students enrolled in a Council on Occupational Education and Texas Department of Licensing and Regulation (TDLR) approved program whether receiving Federal Title IV, HEA funds or not.

The programs offered are eligible for Title IV, HEA funding.

Satisfactory Progress in attendance and academic work is a requirement. Academic work is evaluated on a cumulative basis. Students must maintain Satisfactory Academic Progress to continue eligibility for Title IV funding.

To determine Satisfactory Academic Progress, all students are evaluated in academics and attendance at the evaluation points listed below. Students are advised of their academic and attendance status via a progress report.

Title IV, funding, and SAP Evaluation points
Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the school. Students will be notified via email and/or by advising sessions of all Satisfactory Academic Progress evaluation results at the end of each payment period. The following is an example of the minimum number of hours that a student must complete to be considered eligible to receive the next Title IV, HEA Aid payments.

The funding will be disbursed at:

<table>
<thead>
<tr>

<tr>
<td>1</td>
<td>0-450</td>
</tr>
<tr>
<td>2</td>
<td>451-900</td>
</tr>
<tr>
<td>3</td>
<td>901-1000</td>
</tr>
</tbody>
</table>

*Note: If the student is not meeting the Satisfactory Academic Progress requirements, they will place their Title IV, HEA funding in jeopardy which could also result in a loss of Title IV, HEA funding.

Attendance Progress
Students must attend a minimum of 67% of the cumulative scheduled hours to maintain Satisfactory Academic Progress and complete the course within the maximum allowed time frame. The attendance percentage is determined by dividing the total hours by the total number of hours scheduled. Students are expected to attend classes as scheduled. Students are responsible to clock in and out appropriately to document their hours; the only documentation accepted for student hours is the time clock system.

Continued absenteeism may result in termination. Students who are going to be absent are expected to call the school prior to the beginning of their scheduled shift.
All absences are recorded and made a part of the student permanent record. The student is responsible for class material and/or tests missed while absent. Students are encouraged not to miss any days during their scheduled “freshman” phase. Students who miss 10 consecutive school days (14 calendar days) without communicating with the enrollment office may be terminated on the 11th consecutive school day as an unofficial withdrawal.

**Academic Progress**

Students are assigned theory study and practical assignments. Theory is evaluated by written exams given after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. Practical skills are evaluated according to text procedures and performance standards established by the state licensing agency. Students must maintain a grade average of 70% or above. Numerical grades are considered according to the following grading scale:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Interpretation</th>
<th>Average</th>
<th>Grade Point</th>
</tr>
</thead>
<tbody>

</tbody>
</table>

**Maximum Time Frame (150% process)**

The maximum time frame is equal to 1.5 times the published length of the course. Authorized leaves of Absences (LOA) will not be considered in the maximum time frame evaluation. You need to be aware that an LOA will extend the contract period and max time frame by the same number of days taken in the LOA.

**Maximum Time Allowed**

<table>
<thead>
<tr>
<th>Scheduled Hours</th>
<th>Weeks</th>
</tr>
</thead>
<tbody>
<tr>
<td>1500</td>
<td>42/60</td>
</tr>
</tbody>
</table>

**Transfer Hours**

All hours attempted are counted for the purpose of determining when the allowable maximum time frame has been exhausted. The maximum time allowed for transfer students who need less than the full course requirements will be determined based on remaining hours left in the program.

**Title IV Academic Year Definition**

Tonsorial Arts Barber College academic year is defined as 900 clock hours for Title IV, HEA purposes. For Title IV, HEA payments the student must meet both clock hours of instruction as well as complying with all standards for Satisfactory Academic Progress before they can receive further Title IV, HEA payments.

**Determination Of Progress**

Frequent evaluations will help determine if the student is on track to meet the minimum requirements for Satisfactory Academic Progress by the next payment period. The frequency of
evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements.

Students meeting the minimum requirements for academics and attendance at the end of each evaluation period will be considered making Satisfactory Academic Progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress determination at the time of each of the evaluations.

**Financial Aid Warning**

Students who fail to meet minimum requirements (67% cumulative attendance and a 70% GPA) for attendance and academic progress at the end of a payment period will be placed on a financial aid warning. Any student on financial aid warning may continue to receive assistance under the Title IV, HEA programs for one payment period only.

At the end of that payment period if the student has met the minimum grade and attendance requirements the student is considered to be meeting Satisfactory Academic Progress.

If the student is not meeting Satisfactory Academic Progress at the end of the financial aid warning period; there will be a loss of Title IV, HEA eligibility with the right to appeal.

**Appeal Procedures**

A student may appeal the Financial Aid ineligible decision if he/she has a reason for not making satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has five (5) calendar days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school’s financial aid office on the designated school’s Satisfactory Academic Progress (SAP) Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reason why the determination should be reversed. This information should include what has changed about the student’s situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student’s disability, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student’s file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated.

This policy applies to all students regardless of whether they are eligible for Title IV funding programs. To comply with US Department of Education requirements the terminology financial aid warning or financial aid probation will be used for both Title IV and non-Title IV students.
If a student’s appeal is denied, the student will lose their eligibility for Title IV programs, if applicable, but they will be able to complete the program on a cash pay basis, regardless of their Satisfactory Academic Progress. The school must maintain the documentation for the student’s appeal in the student’s financial file. The school must also maintain documentation as to why the appeal was denied.

**Financial Aid Probation**
Any student that prevails upon the appeal process shall be placed on financial aid probation and will be eligible to receive Title IV, HEA during this period. A student placed on financial aid probation may receive Title IV, HEA program funds for one payment period only. While on Title IV, HEA Financial Aid Probation, the student must meet the institution's SAP standards and complete the requirements of the Academic Improvement Plan, which was developed by the institution to assist the student in regaining their Title IV, HEA eligibility.

Those who are not making Satisfactory Academic Progress at the end of the Title IV, HEA Financial Aid probation period will be ineligible to receive Title IV, HEA funds for the following payment periods. A student must meet Satisfactory Academic Progress prior to having eligibility reinstated.

**Reestablishment Of Status**
A student determined not to be making satisfactory progress may reestablish satisfactory progress by:

1. Making up missed tests and assignments and increasing grade average to 70% or above, and/or
2. Increasing cumulative attendance to 67% or above by the end of a warning or probation period.

**Reinstatement Of Financial Aid**
If applicable, Title IV, HEA financial aid will be reinstated to qualified Students who have prevailed upon appeal or who have reestablished satisfactory progress by meeting the minimum cumulative attendance and academic requirements.

**POLICY FOR VERIFICATION OF TITLE IV**
Each year financial aid recipients are randomly selected for verification by the U.S. Department of Education. If a student is selected for federal verification, they will be asked to complete a Verification Worksheet provided by the financial aid office and must provide additional information before financial aid can be disbursed to the student account. This documentation may include, but is not limited to, federal income tax transcript, W-2 forms, proof of untaxed income, housing allowances, etc. Students will be notified in writing of all documents required to fulfill this federal requirement. If after review by the financial aid office, there are any changes to the financial aid package, the student will be notified in writing. An adjustment will be made to the student’s financial aid award, as required by federal regulations and an addendum to the existing award letter or a new award letter issued.

**The verification procedures will be conducted as follows:**
1. When selected by the U.S. Department of Education for the process of verification, the student must submit all required documentation to the financial aid office within 30 days from the date the student is notified that the additional documentation is needed for this process.

2. If the student does not provide all of the required documentation within the 30 days time frame, the student will be required to make other payment arrangements until the documentation is received and the student’s eligibility for federal student aid has been established.

CONFLICTING INFORMATION
Tonsorial Arts Barber College understands that all conflicting information must be resolved before any Title IV funds can be disbursed. Students with conflicting information in their files or paperwork may be selected for verification by the school or its servicer in order to resolve the information in question.

STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY
The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

1. Review their education records,
2. Seek to amend inaccurate information in their records, and
3. Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 45 days from the date of the request. Copies of all records can be requested at $0.20 per page.

General Release of Information
Except under the special conditions described in this policy, a student must provide written consent before a school may disclose personally identifiable information from the student’s education records. The written consent must:

- State the purpose of the disclosure.
- Specify the records that may be disclosed.
- Identify the party or class of parties to whom the disclosure may be made, and be signed and dated.

FERPA Disclosures to Parents
While the rights under FERPA have transferred from a student’s parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student’s education records to his or her parents if the student is a dependent student under IRS rules.

*Note: For IRS purposes, students are dependent if they are listed as dependents on their parent’s income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)
A school may disclose information from a student’s education records to parents in the case of a health or safety emergency that involves the student. A school may allow parents of students under 21 to know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents, information that is based on that official’s personal knowledge or observation that is not based on information contained in an education record.

**Release of Information to Regulatory Agencies**

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. “Authorized representatives” include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student information is needed to determine the amount of the aid, the conditions for the aid, or the student’s eligibility for the aid, or to enforce the terms or conditions of the aid.

Tonsorial Arts Barber College provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the Council On Occupational Education (COE), or in response to a directive of said Commission.

**Disclosures in Response to Subpoenas or Court Orders**

FERPA permits schools to disclose education records, without the student’s consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

A school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an ex parte order issued in connection with the investigation of crimes of terrorism.

**Disclosures for Other Reasons**

There are two different FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school’s rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).
**Directory Information**
Tonsorial Arts Barber College The School does not publish “directory information” on any student.

**Record Maintenance**
All requests for releases of information are maintained in the student’s file as long as the educational records themselves are kept. Student records are maintained for a minimum of five (5) years for withdrawal students; transcripts of graduates are kept indefinitely.

**Amendment to Student Records**
Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school enrollment office and bring any supporting documentation to show that the record is incorrect.

*Note: A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act.*

**RETURN TO TITLE IV FUNDS POLICY**
This policy applies to students’ who withdraw officially, unofficially or fail to return from a leave of absence or are dismissed from enrollment at Tonsorial Arts Barber College. It is separate and distinct from the institutional refund policy. (Refer to institutional refund policy)

The calculated amount of the Return of Title IV, HEA (R2T4) funds that are required for the students affected by this policy, are determined according to the following definitions and procedures as prescribed by regulations.

The amount of Title IV, HEA aid earned is based on the amount of time a student spent in academic attendance, and the total aid received; it has no relationship to student’s incurred institutional charges. Because these requirements deal only with Title IV, HEA funds, the order of return of unearned funds do not include funds from sources other than the Title IV, HEA programs.

Title IV, HEA funds are awarded to the student under the assumption that he/she will attend school for the entire period for which the aid is awarded. When a student withdraws, he/she may no longer be eligible for the full amount of Title IV, HEA funds that were originally scheduled to
be received. Therefore, the amount of Federal funds earned must be determined. If the amount disbursed is greater than the amount earned, unearned funds must be returned.

The institution has 45 days from the date that the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school is required to notify the student if they owe a repayment via written notice. The school must advise the student or parent that they have 14 calendar days from the date that the school sent the notification to accept a post withdrawal disbursement. If a response is not received from the student or parent within the allowed time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV, HEA programs.

**Earned AID**
Title IV, HEA aid is earned in a prorated manner on a per diem basis (calendar days or clock hours) up to the 60% point in the payment period. Title IV, HEA aid is viewed as 100% earned after that point in time. A copy of the worksheet used for this calculation can be requested from the financial aid officer.

**Withdraw Before 60%**
The institution must perform a R2T4 to determine the amount of earned aid through the 60% point in each payment period or period of enrollment. The institution will use the Department of Education's prorated schedule to determine the amount of the R2T4 funds the student has earned at the time of withdrawal.

**Withdraw After 60%**
After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV, HEA funds he or she was scheduled to receive during this period. The institution must still perform a R2T4 to determine the amount of aid that the student has earned.

Tonsorial Arts Barber College measures progress in Clock Hours and uses the payment period for the period of calculation.

**The Calculation Formula**
Determine the amount of Title IV, HEA aid that was disbursed plus Title IV, HEA aid that could have been disbursed.

Calculate the percentage of Title IV, HEA aid earned:

a) Divide the number of clock hours scheduled to be completed in the payment period as of the last date of attendance in the payment period by the total clock hours in the payment period.

\[
\frac{\text{HOURS SCHEDULED TO COMPLETE}}{\text{TOTAL HOURS IN PERIOD}} = \% \text{ EARNED}
\]

b) If this percentage is greater than 60%, the student earns 100%.

c) If this percent is less than or equal to 60%, return of funds required.
If the percent unearned (multiplied by) institutional charges for the period are less than the amount due from the school, the student must return or repay one-half of the remaining unearned Federal Pell Grant.

Students are not required to return the overpayment if this amount is equal to or less than 50% of the total grant assistance that was disbursed /or could have been disbursed. The student is also not required to return an overpayment if the amount is $50 or less.

Tonsorial Arts Barber College will issue a grant overpayment notice to student within 30 days from the school’s determination that student withdrew, giving student 45 days to either:

1. Repay the overpayment in full to Tonsorial Arts Barber College.
2. Sign a repayment agreement with the U.S. Department of Education.

Order of Return
Tonsorial Arts Barber College is authorized to return any excess funds after applying them to current outstanding Cost of Attendance (COA) charges. A copy of the Institutional R2T4 worksheet performed on your behalf is available through the office upon student request.

In accordance with Federal regulations, when Title IV, HEA financial aid is involved, the calculated amount of the R2T4 Funds' is allocated in the following order:

- Unsubsidized Direct Stafford loans (other than PLUS loans)
- Subsidized Direct Stafford loans
- Parent Plus loans – received on behalf of the student
- Direct PLUS loans - received on behalf of the student
- Federal Pell Grants for which a Return is required
- Iraq and Afghanistan Service Grant for which a Return is required
- Federal Supplemental Educational Opportunity Grant
- Other Title IV, HEA assistance

Post-Withdrawal Disbursement
If you did not receive all the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, Tonsorial Arts Barber College must get your permission before it can disperse them. You may choose to decline some or all the loan funds so that you don’t incur additional debt. Tonsorial Arts Barber College may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school).

The school needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

Time Frame for Returning an Unclaimed Title IV, HEA Credit Balance
If Tonsorial Arts Barber College attempts to disburse the credit balance by check and the check is not cashed, the school must return the funds no later than 240 days after the date the school issued the check.
If a check is returned to Tonsorial Arts Barber College or an EFT is rejected, the school may make additional attempts to disburse the funds, provided that those attempts are made not later than 45 days after the funds were returned or rejected. When a check is returned or EFT is rejected and the school does not make another attempt to disburse the funds, the funds must be returned before the end of the initial 45-day period.

The school must cease all attempts to disburse the funds and return them no later than 240 days after the date it issued the first check.

**Refund vs. Return to Title IV, HEA Funds**
The requirements for the Title IV, HEA program funds when you withdraw are separate from any refund policy that Tonsorial Arts Barber College may have to return to you due to a cash credit balance. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Tonsorial Arts Barber College may also charge you for any Title IV, HEA program funds that they were required to return on your behalf.

If you do not already know what Tonsorial Arts Barber College’s refund policy is, you may ask your Schools Financial Aid Officer or Admissions for a copy.

**Return to Title IV, HEA Questions?**
If you have questions regarding Title IV, HEA program funds after visiting with your financial aid director, you may call the Federal Student Aid Information Center at 1-800-4feda (800-433-3243). TTY users may call 800-730-8913. Information is also available on student aid on the web [www.studentaid.ed.gov](http://www.studentaid.ed.gov).

*This policy is subject to change at any time, and without prior notice.*

**Cancellation After the Three-Business Day-Cancellation Period but Before Commencement of Classes by Student**
This policy applies regardless of whether or not the student has actually started training. A student who cancels his/her contract after three (3) days of signing the contract but prior to entering classes is entitled to a refund of all monies paid to the school, less and registration fee of $100 and a $25 permit fee.

In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student. If the course is canceled after a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. The school does not participate in any teach-out plans with other institutions.

This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog.

If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of TTV funds will be completed and any applicable returns by the school shall be paid, as applicable, first to unsubsidized Federal Stafford Student Loan Program; second to subsidized Federal Stafford Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

LEAVE OF ABSENCE
For those students who find it necessary to be absent for an extended period of time, a leave of absence may be available. A Leave of Absence must be requested in advance by completing a LOA form unless unforeseen circumstances prevent the student from doing so. The request must include the reason for the student’s request and the student signature. A leave of absence form may be obtained from the enrollment office.
There must be a reasonable expectation that the student will return from the LOA. The school will not apply any additional charges as a result of the LOA. Leave of Absences together with any additional leaves must not exceed 180 calendar days in any 12-month period, with a minimum of 5 school days. A student granted a leave of absence that meets the criteria is not considered to have withdrawn, and no refund calculation is required at the time.

The institution will extend the student’s contract period by the same number of days taken in the LOA. The student will be dropped on the date they are scheduled to return from the LOA if they fail to do so. The last day of attendance will be used to calculate the institutional refund policy with any outstanding balance due to TABC immediately.

PROGRAM OUTLINE

Program Description
Each program consists of two types of training, 250 hours of theory class that includes orientation and 750 hours of practical services training. Freshman students attend theory for the first 75 hours before being released to perform services on the practical floor. Sophomore, junior, and senior students attend theory class 5 hours each week and will complete a quiz/test on the material covered.

Program Goals
Our goal is to provide the student with the skills, information, and training with thorough and reliable theoretical and practical instruction to successfully complete the program and pass the
licensure exam required by the state of Texas, and to educate the student in developing professional attitudes and habits necessary for initial employment and career advancement.

**Program Format**
The clock hour education is provided through a sequential set of learning steps which address specific tasks necessary for state exam preparation, graduation and job entry-level skills. Clinic equipment, implements, and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative and productive career-oriented activities. The course is presented through well-developed lesson plans which reflect current educational methods. Subjects are presented by means of lecture, demonstration and student participation.

**Program References**
A comprehensive library of references, periodicals, books, texts, audio/video tapes and web-based materials are available to support the program of study and supplement the program of study. Students should familiarize themselves with the use of these extensive materials.

**Program Evaluation**
Students are assigned theory study and a minimum number of practical experiences. Theory is evaluated by written exams given after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. Practical skills are evaluated according to text procedures and performance standards established by the state licensing agency.
